Computer Organization and Design: The Hardware/Software ...
CS-102 Logical Organization of Computers . Aims There are two views of computer architecture. The traditional view, dating back to the IBM System/360 from the early 1960's, is that the architecture of a computer is the programmer-visible view of the machine, while its implementation is the province of the hardware designer.

Academic : Department of Computer Science : University of Pune
Courses offered by the Department of Computer Science are listed under the subject code CS on the Stanford Bulletin's ExploreCourses web site.. The Department of Computer Science (CS) operates and supports computing facilities for departmental education, research, and administration needs.
