The Crane Drop vs. Honeywell HCM-350. Trying to decide between my top choices? Here are the things to consider: Price: The Crane wins here at about half the price of the Honeywell. Ease of filling: The Honeywell wins here; it's much easier to fill than the Crane. With the Crane, you have to fill it from the bottom, and the shape of the unit makes it a little bit tricky.

Babies are not very materialistic. They don't care about how beautiful their nursery furniture is, how educational their toys are, or how fashionable their clothes make them look. In fact, there are very few items that a baby actually requires: a place to sleep, diapers, a baby car seat, basic clothing, and milk.. But even though a baby's needs are simple, that doesn't mean yours are.
